

PRADHAN MANTRI FASAL
BIMA YOJANA (PMFBY) *The*
Pradhan Mantri Fasal Bima
Yojana is a step taken by the
government as a crop insurance
scheme under the administration
of Agriculture and Farmer
Welfare. PMFBY provides
financial support to eligible
farmers against crop losses
caused by specified non
preventable risks.

RISK AND CROP
COVERAGE DAMAGE

This policy provides end to end insurance protection for agriculture

- Wild Animals Attacks(Under localised risk category): Crop insurance is provided if crops are damaged by wildlife. It totally depends on the state whether they cover this category or not.
- Natural Calamities: Crop protection is provided if a crop is damaged due to any natural disasters like landslides , floods , Earthquakes,natural

fires,droughts,pest and diseases etc.

- Prevented/Failed sowing: the crop insurance covers up to 25% of sum assured due to extreme prevent fields and sowing.

Some Important rules:

- Within 72 hours:crop loss occurred due to any natural calamity or which is covered under PMFBY, Farmer must report the crop loss within 72 hours by using an official app , helpline number or

visiting any bank
branch. Reporting within 72
hours is correct, but under
the updated guidelines,
farmers must report this by
**uploading geo-tagged
photographs** Of the
damage through the
official Crop Insurance
App The exact
reporting process may
depend on applicabel
guidelines of the state.

- Direct Benefit Transfer (DBT): approved claims are transferred to eligible farmer designated account according to payment process to ensure complete transparency
